Dear valued Spring Gully Foods supplier

I wish to advise of a change to our Cost Price Increase procedure.

As you may be aware our core business is selling our products to major retailers across Australia.

Retailers such as Coles and Woolworths are happy to review price increase however as a minimum they require 12 weeks' notice.

As a consequence of this we too have adopted this requirement.

As such I must receive cost increase proposals no later than 12 weeks from proposed effective date.

We view this 12 week period as an opportunity to meet and discuss any proposed increase in detail

We thank you in advance for your cooperation and look forward to continuing our trading relationship with you.

Kind Regards

Kevin Webb  
Managing Director
